

HOTEL METROPOLE

MONTE-CARLO

Dear Guest,

We are thrilled to announce that the Hotel Metropole Monte-Carlo will write a new chapter in its history, with **a forthcoming renovation project**.

Consequently as of **November 30th, 2020**, the hotel will temporarily close for the first phase of the embellishment works focusing on the hotel's "behind-the-scenes".

The Hotel Metropole will reopen its doors in **April 2021** and you will be able to enjoy again the inventive and exquisite cuisine orchestrated by Christophe Cussac at the Lobby Bar, at the Michelin-starred Yoshi restaurant and at Odyssey, the alfresco restaurant by the pool designed by Karl Lagerfeld.

The Spa Metropole by Givenchy will launch its brand new Spring-Summer skincare collection for a haute-couture beauty experience.

We look forward to welcoming you back **next spring** and our [reservations department](#) remains at your disposal to book your future stay. We will do our utmost to offer you once again unforgettable experiences among us.
