HOTEL METROPOLE MONTE-CARLO

UNIQUE MOMENTS...

The hotel is located in the heart of Monte-Carlo, in the "Carré d'Or" on the Place du Casino. The hotel has 125 rooms including 63 suites designed by the famous decorator Jacques Garcia.

Chef Christophe Cussac is the Executive Chef of the Lobby Bar and the Yoshi restaurant, the only starred Japanese restaurant on the French Riviera. In addition, you will have the opportunity to discover the Spa Metropole by Givenchy as well as the ODYSSEY area imagined by Karl Lagerfeld including a heated swimming pool available in summer and winter.

Our salons can accommodate from 10 to 120 people and combine elegant decoration with dishes signed by our Executive Chef.

Our events team is at your service to create tailor-made events and to assist you in the organisation of your meetings, seminars, private events, exhibitions, cocktails or parties.

The know-how of all our teams will allow us to create an event that precedes your image.
