

**Press Release 23 May 2023**

**On the occasion of the 80th Monaco Grand Prix, the Hotel Metropole Monte-Carlo is launching an exclusive cocktail with The Gardener gin.**

## *Monaco Rush*

The Chef Barman of the Hotel Metropole Monte-Carlo has created a cocktail with a distinct Hollywood flavour, featuring **The Gardener gin**. The spirit, created by **Brad Pitt** in association with the **Perrin Family** and world-renowned distiller **Tom Nichol**, pays homage to the French Riviera, a place where the imagination transcends and expresses itself.

Inspired by the charm of the Côte d'Azur, The Gardener gin, with fresh and dried citrus notes of pink grapefruit, lemon, sweet and bitter oranges from the Cap d'Antibes region, is sublimated in an elegant, refreshing and daring cocktail to be found on the menu of the Lobby Bar of the Hotel Metropole Monte-Carlo as soon as the Grand Prix takes off.

The "Monaco Rush," made with peach coulis and liqueur, blackcurrant cream, mint and lemon juice, is even more delicious when enjoyed in one of the Principality's most popular venues. Glamorous, warm and sensual, the Lobby Bar of the Hotel Metropole Monte-Carlo, designed by Jacques Garcia with a club spirit atmosphere and decor, with that inimitable touch, combining art objects and antique books. The Garcia style can even be found in the sumptuous velvet sofas, a real call to relax and to unwind.

Seduced by the elegance of the place with the cosy charm of an English club, your only wish will be to come back and have the pleasure of savouring "Monaco Rush"\* again.
