

# Scarlet X'mas

From 20 November 2023.

For the festive season, the artistic director of the Hotel Metropole Monte-Carlo, Perrine Guyonnet, has created a trendy and chic atmosphere celebrating the colour of the season: *red*.

At the Hotel Metropole Monte-Carlo, this rich, warm colour takes centre stage, setting the scene throughout the hotel with red ribbons in an atmosphere that is both elegant and surprising.

An enchanted world awaits you,  
where each ribbon tells a story...

HOTEL METROPOLE  
MONTE-CARLO

Red radiates an unrivalled glamour that envelops you from the moment you enter the hotel. An original scenography that evokes the irresistible joie de vivre of French elegance.

Perrine Guyonnet's artistic vision has adorned the hotel with giant red bows and ribbons, silky, light, velvety – and glittery, creating an atmosphere that rhymes with chic and charm.

The splendour of red even extends to the sumptuously decorated Christmas tree, as well as the Salon des Princes and the Lobby Bar, sublimated by spectacular drapes of fabric and bows.

It's an exceptional sensory experience that transports you to a world of splendour and sophistication.

# The Yule Log

The Hotel Metropole Monte-Carlo Yule Log is a culinary jewel inspired by Chef Christophe Cussac and his Pastry Chef, Patrick Mesiano.

The cracker-shaped log is dressed in red to match the hotel's decor, and embodies elegance and creativity at the highest level. This exquisite creation is both a visual and delicious masterpiece, where the vibrant red of the icing evokes the passion and warmth of Christmas.

It embodies the refined combination of carefully selected local ingredients, meticulously crafted at the height of the season.

The biscuit, a subtle harmony of lemon and olive oil, celebrates the vivacity of citrus fruits picked at their peak.

As for the strawberry confit, it tells a springtime story, evoking local strawberries picked to perfection.

A perfect balance of sweetness and simplicity.
