PRESS RELEASE

MARCH 2024

## Gourmet success for Patrick Mesiano, awarded the Passion Dessert prize

On 18 March 2024, at the prestigious annual Michelin Guide ceremony, our Pastry Chef Patrick Mesiano was honoured with the Passion Dessert award, highlighting his divine creations including his dessert trolley at Les Ambassadeurs by Christophe Cussac. With a team of talented pastry chefs at his side, Mesiano is the brains behind a range of irresistible desserts all served up with a touch of refinement in the establishment's four restaurants.

This distinction, awarded to only eight outstanding establishments, recognises the exceptional skills of the pastry chefs who enrich the gastronomic landscape. Launched in partnership with Valrhona, the Michelin Guide's Passion Dessert title spotlights these artisans of the sweet, from all generations, who have left their mark on the history of patisserie with their creativity and commitment.

Since its creation in 2019, Passion Dessert has celebrated excellence and innovation in pastry-making, offering customers unique taste experiences. This award is testament to the dedication of Patrick Mesiano and his team to elevate the art of pastry-making to new heights, while ensuring a perfect harmony of flavours and textures to delight the palates of the most discerning gourmets.

**"Receiving this award is an immense source of pride for me and my team. We put all our heart into each creation, aiming to offer our customers moments of pure delight. This recognition from the Michelin Guide and Valrhona encourages us to continue to innovate and create wonder with our desserts."**
